The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Jefferson, New Jersey, Environmental Infrastructure Project in fiscal year 2024. The entity to receive funding for this project is the U.S. Army Corps of Engineers, Philadelphia District, located at 1650 Arch Street, Philadelphia, Pennsylvania 19103.

This funding would provide for the first phase of this Section 219 Environmental Infrastructure project to install public sanitary sewers along the lakefront area of Jefferson Township. This project is a valuable use of taxpayer funds, because the sewer system would protect water quality and improve public health around Lake Hopatcong.

The project has a Federal nexus because it is for the purposes authorized by Section 219(f)(360) of the Water Resources Development Act of 1992, as amended (Public Law 117-263).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mikie Sherrill
